HEFTY HAULER

Trailmate Personnel/Cargo Carriers are built with rider-friendly features and the ability to handle all types of loads while moving through a facility with ease and efficiency. Choose the Trailmate Hefty Hauler™ or our new Trailmate Worker™ for heavy load capacities, the DeSoto Hauler™ and Regal Hauler™ are perfect for the lighter loads.

The Trailmate Hefty Hauler™

Whether hauling people or product, Trailmate manufactures tough, rugged 3-wheel cycles to meet the specific needs of business and industry. We produce quality American made specialty cycles and we back our products with exceptional service after the sale.

- 500 pound maximum load capacity
- Colors: Safety Yellow or Jet Black
- Easy assembly, stable construction, low maintenance
- Coaster brake (rear) and V-brake (front)
- Extra large, adjustable seat
- Solid rear axle for maximum strength
- Heavy-duty steel-zinc plated rims with 0.150 heavy-gauge spokes
- Roomy 24" x 26" cargo platform
- Heavy-duty chain guard
- Parking brake
- Safety flag
- Options: 3-speed coaster brake kit, 5-speed freewheel, front and/or rear baskets (as shown), locking diamond plate aluminum cargo box, 20" or 26" wheels, puncture resistant tires and tubes

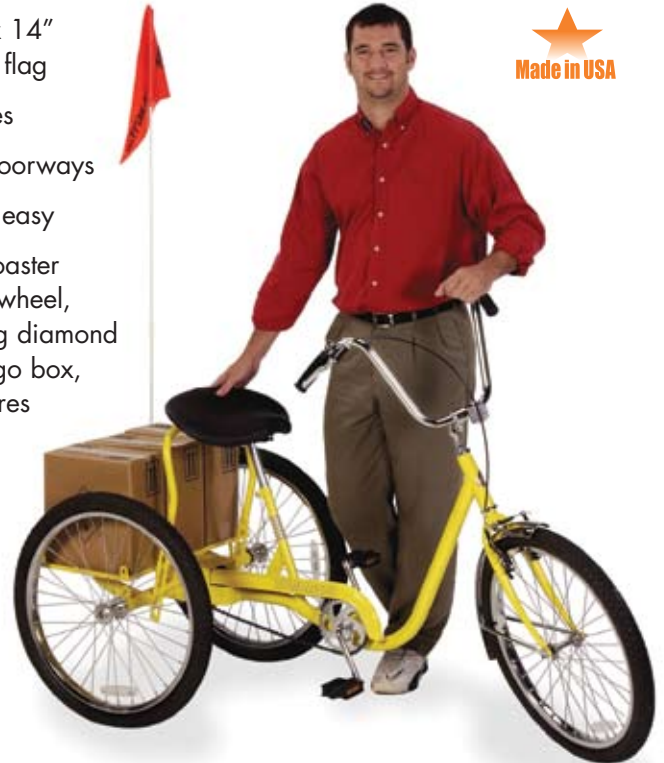

Made in USA

Tire options for all models include: airless, Kevlar-lined or standard pneumatic.

The Regal Hauler™ and DeSoto Hauler™

The Regal Hauler™ and DeSoto Hauler™ are famous for their toughness and durability, at a price significantly lower than comparable industrial models. These trikes feature a 350 pound hauling capacity, high-rise handlebars, parking brake and a covered chain.

- Details include front fender, heavy-duty 24" x 14" cargo platform, reflector package and safety flag
- Coaster brakes and heavy-duty tires
- Designed to fit through standard doorways
- Step-through design makes access easy
- Options: 3-speed coaster brake, 5-speed freewheel, rear fenders, locking diamond plate aluminum cargo box, puncture resistant tires and tubes

Made in USA

The Trailmate Worker™

The new Trailmate Worker™ is an extra heavy-duty variation of our popular DeSoto model. The reinforced steel frame and extra wide rear hubs add stability and an increased load capacity of up to 400 pounds.

- Standard features include new front disc brake, front fender, cargo platform, reflectors and safety flag
- Heavy-duty 0.150 gauge steel rear wheels
- Pneumatic tires 24" x 2.125"
- Rear coaster brake
